no question asked from this section

**Chairman** : basics -you can remove the mask, friendly people, say no if you don't know

Q.1 Asked me to introduce myself, tell us about your education, work experience

Begin with a case study

Q.2 you are a joint secretary in PWD and A 100cr tender has been passed through bidding after one month the bidder who got the tender came to you and asked you to sign the tender, it's been 1 month... you if want I can offer you something, I gave 5 crores to your senior

Follow up questions

Q.3 consider that you know that your senior is a very corrupt person but you didn't find any evidence against him, the investigation came clean

Again follow up on answer

Q.4 you got two pieces of advice from your seniors, one that pass the tender as you didn't find any evidence 2nd investigate again and find out corruption and also the bidder is saying that madam it's your department which is delaying project from last one month that's why I am offering you something

Q.5 ok unfortunately if you don't get selected in civil services what will you do ( I said sir next attempt)

Q.6 ok if you don't select in next attempt then what will you do

**Member 1(Female):**

spoke very slowly...had difficulty in even understanding what she was saying.

Q.1 What EU countries are doing in Russia In the Ukraine war

Q.2 what America did in Russia Ukraine conflict

Q.3 Don't you think America is supplying bombs on one hand and on other hand talking about climate change...It is democracy...isn't it

Q.4 asked one more question. Couldn't understand... wanted to ask her to repeat. But the next member started asking in the meantime

**Member 2:**

stay healthy, stay fit what does it mean

Q.1 case study - if I am a prisoner in Tihar jail and I came to you opd with a fake complaint of body ache and asking for you to transfer me outside to some higher hospital what will you do... these kinds of situations are very common there ( my work experience- Tihar jail hospital-junior resident)

Asked 2-3 questions can not recall

**Member 3:**

Q.1 what is famous in Churu (my home district)

Q.2 asked about the condition of undertrials in Tihar jail and solutions to it

**Member 4:**

Q.1 case study -if you are DM in Chhattisgarh's any Naxalite affected district...what will you do

Q.2 Ok unfortunately you don't get selected in civil services and you get posted as a medical officer in Chhattisgarh... will you go there

Few more questions... I cannot recall

In the last chairperson asked if you want to share something

I said thank you

Chairperson...God bless you...you are free now

**Mock experience:** good for confidence-boosting and experience of talking with senior people, 1-2 questions directly from mock. compared to mocks. the board was very cordial.
